Jungian Psychotherapy Program/Jungian Studies Program

2021–2023 Schedule In-Person and via Zoom

2021–2023 JPP/JSP Schedule Overview

Because of the unknowns of the pandemic, we have made plans for two different possible scenarios for the monthly JPP/JSP training weekends:

1. Online via Zoom
2. In-person at the Institute in Chicago

Whether in-person or online, the JPP/JSP training weekend schedule will deliver the same elements:

ELEMENTS OF THE JPP/JSP	Hours				
	Per Day	Per Monthly Weekend	Per Trimester	Per Year	Per 2-Year Program
Instruction: Class Sessions	4	8	24	72	144
JPP/JSP Small Groups	1.5	3	9	27	54
Large Group Process	1	2	6	18	36
Tuition				\$3,650	\$7,300

JPP/JSP Training Weekend Schedule via Zoom*

9:30–11:00	Class Session	1.5 hours
11:00–12:00	Lunch	1 hour
12:00–1:30	Class Session	1.5 hours
1:30–1:45	Break	15 min
1:45–3:15	Small Groups	1.5 hours
3:15–3:30	Break	15 min
3:30–4:30	Large Group Process	1 hour

For the period while the JPP/JSP is online, the class sessions will be slightly shortened to account for Zoom fatigue. Students will get to interact with their Small Groups and the Large Group Process for the full allotted time to build connections among the cohort. We will make up the additional 2 hours of instruction each month by providing related recordings from the Institute archives. Those seeking Continuing Education (CE) credit will be able to take quizzes to fulfill the accreditation requirements for home study.

In-Person JPP/JSP Training Weekend Schedule

When it's safe to return, we will give [8 weeks' notice](#) before the first in-person JPP/JSP training weekend.
