**CHARACTER AND FITNESS AFFIDAVIT AND WAIVER
FOR PROSPECTIVE STUDENTS**

As an applicant for admission to the Jungian Psychotherapy Program for licensed clinicians or the Jungian Studies Program for non-clinicians, I also hereby agree to the following:

1. I understand that I am making a commitment to attend and participate in the Jungian Psychotherapy Program or the Jungian Studies Program for two years with nine weekend sessions per year. I also understand that participation in this seminar will not provide me with a degree or a license to practice psychology. Acquiring legal status to practice as a psychotherapist remains the personal and ethical responsibility of the individual. The laws governing professional certification vary in different states, and it is the applicant's responsibility to meet the legal requirements of the state(s) in which s/he intends to practice psychology.
2. I assume full responsibility in all matters of professional ethics, and, specifically, for meeting any legal requirements governing the practice of psychotherapy or the use of professional titles mandatory in the state(s) in which I practice.
3. I understand that upon completion of this program, I will receive a certificate of completion of the Jungian Psychotherapy Program of the C. G. Jung Institute of Chicago (if a licensed clinician), or of the Jungian Studies Program of the C. G. Jung Institute of Chicago (if not a licensed clinician). I agree that I will not designate or represent myself as a Jungian Analyst or Psychoanalyst.
4. I have not violated the licensing standards and professional code of ethics for my profession.
5. I have never been accused of violating the licensing standards and professional code of ethics for my profession.
6. I have never had any notices of disciplinary conference, or information or formal proceeding initiated or filed against me for a violation of licensing standards or the professional code of ethics for my profession.
7. I have not been arrested for or convicted of any crime, including any sex-related or child abuse-related offenses. Moreover, I have not had a lawsuit filed against me or charges of licensing violations or professional misconduct in the state(s) in which I practice.
8. If I cannot affirm any of the above statements, I will attach a written explanation.
9. I agree that if I have made any misrepresentations in response to the above questions, I will be dismissed from the Jungian Psychotherapy Program or the Jungian Studies Program. I will not be refunded any tuition, fees or costs. Furthermore, in such a circumstance, I will not have any opportunity to appeal my dismissal from the programs and I will have no legal recourse against the C. G. Jung Institute of Chicago. I also agree to amend my Character and Fitness Affidavit and Waiver at any time during the course of my application process or involvement in the programs should my responses to the above questions change.
